

CALEB CANADY

Virginia to Georgia to Alabama

This is a family I have very little info on except from two people searching on the line. The family began, like most of ours, in Virginia and then went to Jackson County, Georgia and then to Tallapoosa County, Alabama. Again, I only have two family group sheets on this family, and what I list is taken from these two sheets.

Caleb was born somewhere in Virginia in 1770. He married Mary 'Polly' Evans who was also born in Virginia about 1780. They were married about 1795 and seem to have almost immediately moved to Georgia where their first child, William was born about 1796 or 1797.

They were in Jackson County, Georgia in 1804 and in Putnam County, Georgia by 1815.

Sometime, probably in the 1840s, the family moved to Tallapoosa County in Alabama. Caleb Canady died there on January 26, 1858.

They had fourteen children:
