

JOHN CANADAY

of Macon County, Alabama

All I have on this family is from one researcher and a group sheet he sent.

John was born in North Carolina (do not know exactly where) on July 12, 1787. He moved to Baldwin County, Georgia and there married Elizabeth Kirkpatrick on January 2, 1812. The tax records show a John Kennady living near the Fitzpatrick family during this period.

I am listing him here as he seems to be somewhat related to the Caleb Canady previously detailed. They both went to Georgia and then to Alabama in the same time periods.

The family remained in Baldwin County, Georgia and most of the children were born there. In the mid 1830s, the family moved to Society Hill, Macon County, Alabama. They arrived around 1835. The last child born in Georgia was in 1834 and the next child was born in 1837 in Alabama.

John Canady died in Macon County on August 21, 1852. Elizabeth moved with her daughter Martha Jane to Pintlala, Montgomery County, Alabama where she died on February 28, 1876.

The following are the children of John and Elizabeth Canady:
