

KEZIAH PATTERSON

Keziah was the first to be born in the Pendleton District of South Carolina. She was born about 1790.

She married Alford or Alfred Hodges in St. Louis County, probably just prior to 1820.

I am not certain if *this* Alfred Hodges was the same one who married Elisha Patterson's daughter, Elizabeth Rebecca Patterson in 1830. If he married Keziah first and she died in the 1820s then this makes sense. Only a guess at this stage of my research.

They had five children:

Isaac Hodges

Daniel Hodges

Jane Hodges

She married A. S. Seeley.

Jemima Hodges

She married William McAllister.

Edmond Hodges

I have nothing else on this family.
